

Preparing the Way: Calling our next Dean

Sunday Forum: 13 March 2011

As we move toward the future we envision, there is work for all of us

- Greet, invite, and incorporate new members
- Form small groups to explore the many facets of our life together
- Explore our Episcopal identity
- Support our Pastoral Care efforts
- Develop a theological basis of generosity

As we continue the work of our mission, our Committees will be given a charge:

- Cultivate new leadership through mentoring and recruitment
- Reinforce spiritual formation focus in all of our work
- Achieve sustainable financial stewardship
- Enhance our unique building and physical space
- Offer gratitude to our volunteers and staff

As we prepare for the call of our next Dean, your Vestry will be accountable to our community:

- Clear communication of the decision making process
- Model collaboration and healthy interactions
- Appoint Profile Committee
- Appoint Call Committee
- Confirm a single candidate, as recommended by the Call Committee

If you have any questions or comments for your Vestry, please contact us
