

# WEAVERS

gathers Christian women for

- Creating community ritual
- Giving voice to women's experience
- Honoring and affirming the sacredness of women's truth

In this gathering, the symbols, words, music, reflection and context for faith sharing are designed to let the Spirit lead women to experience God and then to find expression for their experience in a community of women.

Our purpose is to bring women together on four Saturday mornings throughout the year beginning in 2010 to create the time and space to share both rituals and our stories of lives of faith lived out against a backdrop of a culture which includes both challenges and opportunity.

Please join the women of Saint Mark's  
for a morning of ritual and storytelling.

Ritual is part of everyday life for all of  
us. We develop rituals around our  
daily tasks, experiences and  
relationships with others.

Sacred ritual is a ceremony that names  
and claims the holy that is present in  
our lives.
