SAGE Planning Sessions have moved to 11 a.m. on the Wednesday of SAGE luncheons. This idea of Dan Conklin's is proving very productive. People gather around one of the buffet tables before the food is displayed and brainstorm together about SAGE. No need to arrive on the dot of 11:00 to join the planning. People arrive when they can and gather around the table to visit and to plan.

11:00 a.m. SAGE Planning Discussion Topics:

- Ideas for SAGE Luncheon Programs
- SAGE Luncheon Format – Could we design a structure to our time together to be sure we welcome new people and be sure we have a report on those who are absent, etc? Should there be a hospitality table? Should there be a book exchange where SAGERS donate books for other SAGERS to read?
- SAGE Coach Riders' Excursion 2011
- The Reverend Dan Conklin's upcoming move to Germany

Unfortunately, it's True -- It's a Fact -- Dan Conklin is leaving!

We hope to see you at SAGE lunch on Wednesday, November 3rd.
