

THE CHOIR SCHOOL
ST. MARK'S EPISCOPAL CATHEDRAL
SEATTLE, WA

Saint Mark's Choir School can provide a limited amount of financial aid to families who wish to enroll their children. As we cannot guarantee enough funds will be available for every chorister who applies, we ask that each family submit a financial aid application in order to be considered.

Please fill out and return by email to mstephens@saintmarks.org. Once all applications are collected, an impartial committee composed of members of the Saint Mark's Community will distribute financial aid as they see fit.

Please outline the current financial situation of your family.

What do you hope your child (ren) will gain from becoming a Saint Mark's Chorister?

What would your family be able to contribute if your child was given partial financial aid?
